Dear Mr. Batka

Hello my name is \*\*\*\*\* and myself and my family reside in Polkton Township, MI. I am writing you, today, to ask that you not approve Ottawa County Landfill, Inc's request for Permits MI-139-1I-0007 & MI-139-1I-0008. Myself and my family live in the watershed, in which the Ottawa County Landfill resides. We, as well as our neighbors, are dependent on well water from the aquifer that would be above the aforementioned pollution wells. I believe that resident safety and property values should not jeopardized, nor the health of the nearby Grand River, for the profits of Ottawa County Landfill Inc.

If this is something that Ottawa County Landfill must have I would argue that they should fund city water hookup for all Polkton township residents, currently, on well water.

Thanks for your time and attention on this matter. I appreciate you willingness to listen and, hopefully, deny the aforementioned permits for Ottawa County Landfill Inc.
